

FBFA Series

Ferrite Bead

Size 4030

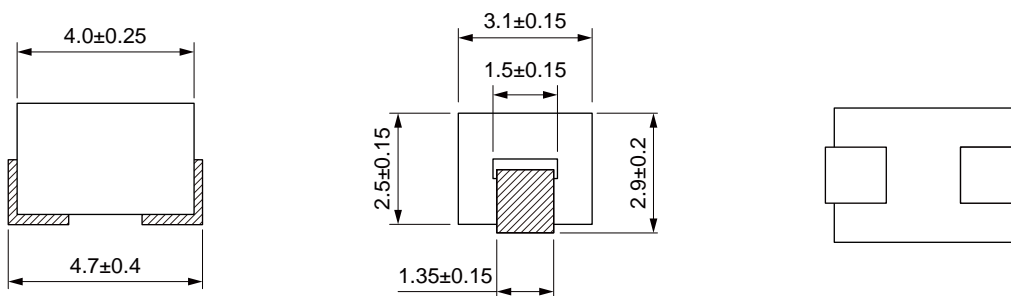

FEATURES

- AEC-Q200 qualified
- Operating temperature: -55 to +125 °C (including

APPLICATION

- Power Line filter for body controls,electromotor and car multimedia etc.

Dimensions: [mm]

Electrical Properties:

Part No	Impedance @25MHz	Impedance @100MHz	DC Resistance Max.	Temperature Rise Current $\Delta T=40^\circ\text{C}$ Typ. (A)	Temperature Rise Current $\Delta T=60^\circ\text{C}$ Typ. (A)

Typical Electrical Characteristics:

Impedance VS Frequency
